Engineering Communication Program	St. George	CIV382Y1Y	Civil Engineering Portfolio	120	Teaching Assistant	4	60-80	September 1, 2017 - April 30, 2018		Minimum Qualifications: Candidates should have at least an undergraduate degree and currently be enrolled in an engineering Masters or PhD program with strong written and oral communication skills and a demonstrated commitment to teaching communication. Preferred qualifications include enrollment in a Civil Engineering graduate program. In addition, assets would include familiarity with engineering communication practices and/or training in second-language instruction at the university level. Experience as a student or TA in the first year foundation course, Engineering Strategies and Practice or any other engineering communication courses, is desirable.	Teaching Assistants will work as Communication Instructors (CIs) and be required to work with students and/or grade assignments, as well as work with the portfolio coordinator and other TAs on curriculum development. Duties include: Attend course planning meetings with teaching team. Be responsible for scheduling, holding, and documenting required and student-requested meetings with up to 25 students. Provide written and/or oral feedback on portfolio selection and introductions. Participate in Portfolio Workshops.	May 31, 2017	June 21, 2017		$43.65 per hour + 4% vacation pay	For detailed information on the application procedure go to http://ecp.engineering.utoronto.ca/job-opportunities/
