

Department	Campus	Course Number	Title	Course Enrolment (est.)	Position Type	Number of Positions (est.)	Size of Appointment (# of hours)	Dates of Appointment	Tutorial/Lab Schedule (if known)	Qualifications	Duties	Posting Date	Closing Date	Emergency Posting?	Salary	Application Procedure
Engineering Communication Program	St. George	MSE298H1F	Communications I	50	Teaching Assistant	2	100	September 1, 2017 - December 31, 2017		Candidates should be enrolled in the School of Graduate Studies, University of Toronto, or should have made application to be enrolled in the School of Graduate Studies, University of Toronto, in an appropriate discipline (such as, but not limited to, Communication, English, Engineering, Education, Technology Studies) with strong written and oral communication skills and a demonstrated commitment to teaching communication. Candidates should hold a bachelor degree in Materials Science Engineering. In addition, assets would include familiarity with engineering communication practices and/or training in second-language instruction at the university level. Since most courses are team-taught, the ability to work as part of a team is essential.	Attend weekly course planning meetings. Coordinate one 1-hour tutorial per week. Supervise work of approximately 25 students. Grade three short out-of-class writing assignments. Grade three oral presentations, presented by approximately eight teams. Hold consultations with students to help them develop as writers and presenters. This job description is subject to change, as aspects of this course may be integrated into the new third-year design course, MSE398Y.	May 23, 2017	June 13, 2017		\$43.65 per hour + 4% vacation pay	For detailed information on the application procedure go to http://ecp.engineering.utoronto.ca/job-opportunities/
Engineering Communication Program	St. George	MSE298H1S	Communications II	50	Teaching Assistant	2	100	January 1, 2018 - April 30, 2018		Candidates should be enrolled in the School of Graduate Studies, University of Toronto, or should have made application to be enrolled in the School of Graduate Studies, University of Toronto, in an appropriate discipline (such as, but not limited to, Communication, English, Engineering, Education, Technology Studies) with strong written and oral communication skills and a demonstrated commitment to teaching communication.
